

WATERPROOF CABLE M SERIES

Pro-Data provides water proof M series cable with IP65~68 to various of industries, from outdoor lighting & display, automation, communication, marine electronics and EVs.

Features:

1. LPMS for inner molding
2. Bostik Polyamide
3. Wide range existing tool
4. Welcome customization

SOLID WATERPROOF FUNCTION

Low Pressure Molding

Bostik Polyamide

MOLDING METHOD

	Pro-Data	Others
Material	Bostik 867HV	ABS/PBT/PVC
Molding Temperature	220°C	160°C
Molding Period	45 sec	10-15 sec
Clamping Force	1200kg	20000~80000kg
Damage to Part	None	Possible
UL compliance	Yes	Unsure
RoHS Compliance	Yes	Unsure

SPECIFICATION

Customization Open Discussion	
M type	M5/M8/M12/M16/M21
Code	A/B/C/D/X
Cable Spec	UL2464#24AWG/26AWG/PVC (PUR with MOQ)
Bending cycle	1-12 million times(MOQ 3000m)
Waterproof level	IP 65-68
